Executive Compensation Consulting Services to the Technology Industry

THE CURRENT COMPENSATION ENVIRONMENT

Pressure from institutional investors, increased focus on governance, as well as uncertainty on continuing government regulations makes navigating compensation strategy and design more complex. Particularly challenging is designing and restructuring pay programs in today's new environment.

OUR APPROACH

Our consulting advice is designed around the requirements of your unique situation. We work closely with you to understand your business strategy, culture and definition of success. Together, we create custom compensation programs, practices and strategies that work to help you attract and retain the best people and maximize shareholder value.

Our experience is backed by access to the best data sources in the market, specifically our CHiPS *One* Compensation Survey. CHiPS *One* covers hundreds of professional, managerial and sales roles including Research & Development, Information Systems, and Technical Support positions. The survey covers all aspects of compensation – base salaries, bonuses, profit sharing, long term incentives, perquisites, paid time off and other Human Resource policies. Capability for custom peer group reporting is also provided. The CHiPS *One* Compensation Survey is the most comprehensive total compensation survey currently available.
