Jelena Tasker is a principal consultant in Pearl Meyer's Los Angeles office with over 10 years of experience. For the last five years, she's been primarily focusing on compensation matters in PE and VC-backed companies. Jelena has extensive experience across a broad spectrum of executive compensation issues, including competitive market definition and pay assessment, incentive design framework and calibration, pay-for-performance alignment and risk assessment, evaluation of equity plan provisions and mechanics, valuation of value sharing quantum within a private equity portfolio company context, and corporate governance and regulatory support.

Jelena has a deep knowledge of increasingly important corporate governance principles and proxy advisory firms' policies, has helped her clients with issues related to low say-on-pay voting outcomes, shareholder outreach, share request, and ISS pay-for-performance analysis and correspondence.
