

MONAL PATEL

Vice President

monal.patel@pearlmeier.com

Direct: 508.630.1511

Monal Patel has over 10 years of compensation experience performing broad-based pay benchmarking analysis by adapting multiple market sources to clients' human capital strategy.

She has extensive experience designing global job architectures that have enabled clients to define career progression, offer targeted training and development, and are flexible enough to respond to changes in business conditions. Monal develops financial impact modeling attendant to new/revised salary administration programs. She also has created transition strategy alternatives for program implementation.
